

IMPACT ACCELERATORS

Extend Your Organization's Effectiveness

GUIDESTAR FINANCIAL TRENDS ANALYSIS INTEGRATION FOR SMARTSIMPLE CLOUD

Bring the power of GuideStar's comprehensive Financial Trends Analysis directly into your SmartSimple Cloud system*

Get quick insights on the financial health of nonprofits with GuideStar Financial Trends Analysis integration. The ability to view an organization's year-over-year financial trends is incredibly valuable but it can be time-consuming and disconnected from your process, requiring steps to be taken outside of your system. With GuideStar's Financial Trends Analysis data integrated into SmartSimple Cloud, you can access five-year trends for any nonprofit directly from within your system. You'll streamline due diligence and facilitate data-driven decisions about the organizations you fund.

VIEW FIVE-YEAR NONPROFIT FINANCIAL TRENDS WITHIN SMARTSIMPLE CLOUD

5-YEAR INSIGHTS

Gain quick insights into a nonprofit organization's financial health with side-by-side financial data from the past five years in an easy to read and intuitive format.

BUSINESS MODEL INDICATORS

View Business Model Indicators such as profitability, revenue composition, and expense composition, enabling you to see an organization's sources of revenue and where they are spending it in service of its mission.

CAPITAL STRUCTURE INDICATORS

Assess Capital Structure Indicators such as liquidity and balance sheet composition to evaluate an organization's financial stability.

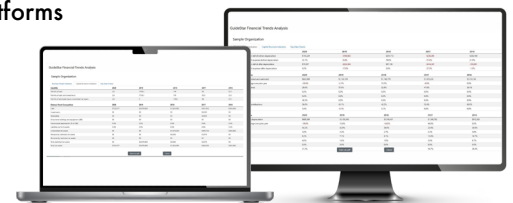

KEY DATA CHECKS

Examine Key Data Checks to determine whether any material data errors have occurred.

IMPROVE EFFECTIVENESS WITH VALUABLE INSIGHTS IN ONE PLACE

- Work efficiently and be more productive. There's no need to toggle between platforms or jump between screens to view all the data you need.
- Keep data centralized in a single repository, providing one source of information for your team.
- Conduct richer analysis with in-depth financial information in your system that can be readily pulled into your reporting.

* Candid Nonprofit Premier API is required - additional costs associated.

THERE IS NO LIMIT TO WHAT YOU CAN ACHIEVE WITH SMARTSIMPLE CLOUD

SmartSimple Cloud's configuration-based platform enables you to endlessly tailor and extend your system to achieve your current and future needs as they evolve – all under one roof. Not only will your entire organization benefit from a personalized, holistic solution that is configured for your people, community, and process, you will avoid the costliness and uncertainty of maintaining custom-built software.

POWER YOUR PURPOSE AND IMPACT

reSolved partners with organizations that do good, so they can be better. Because we believe there is always a better way. We empower our clients to deliver greater impact now and into the future, by making their technology work for them and by bringing their people, processes, and meaningful results into focus. We give our clients the tools and knowledge to do what they do, better and more efficiently.

Our team has implemented best-in-class technologies for some of the largest, high profile philanthropic organizations, multinational corporations, government agencies, and research institutions, bringing decades of deep knowledge and expertise to help them create lasting change. We maintain an alliance with SmartSimple that enables us to leverage the dynamic flexibility of the SmartSimple Cloud platform to deliver advanced, collaborative solutions. Connect with our team to learn more about how we can help power your impact.
