

IMPACT ACCELERATORS

Extend Your Organization's Effectiveness

TAILORED BUDGET SOLUTIONS FOR SMARTSIMPLE CLOUD

Take your SmartSimple implementation to the next level with a tailored budget solution from reSolved. Budgets are often the most complicated component of any application form. A tailored solution will improve the end user experience, as well as your ability to report on your organization's financial information year over year.

TAKE YOUR BUDGET TO THE NEXT LEVEL

A tailored budget can provide many benefits to your instance of SmartSimple. Some budget features include:

TABBED VIEW

Organize multi-year budgets into a tabbed view, improving the layout of the page to display one year at a time.

COPY BUDGET PERIODS

Provide the ability to copy one year of budget information to the next, reducing the amount of entry required to complete the budget as well as limiting data entry errors.

SUMMARY VIEW

Provide budget information from several years at-a-glance within the summary view.

EASILY REPORT AND TRACK EXPENSES

Using the application budget as the base, automate expense reporting and efficiently track spending through the lifecycle of an application.

THE RIGHT FIT FOR YOUR NEEDS

If your organization has multi-year projects, multiple budget categories, and the need to collect expense reporting from end users, then a tailored budget is the right fit for your organization. Our team has developed expertise in this area through our work to develop tailored budgets for clients from various industries across the world.

THERE IS NO LIMIT TO WHAT YOU CAN ACHIEVE WITH SMARTSIMPLE CLOUD

SmartSimple Cloud's configuration-based platform enables you to endlessly tailor and extend your system to achieve your current and future needs as they evolve – all under one roof. Not only will your entire organization benefit from a personalized, holistic solution that is configured for your people, community, and process, you will avoid the costliness and uncertainty of maintaining custom-built software.
