

# TUITION & FINANCIAL ASSISTANCE SOLUTION

Reduce the barriers to accessing community education and assistance opportunities with our intelligent, easy-to-use solution that fits your process.

**W**ith reSolved's all-in-one solution for managing tuition and financial assistance programs, you can bring greater agility and efficiency to meeting your community's needs. Streamline your submission and data-driven evaluation processes, while also capturing analytics to paint a picture of your community's overall financial standing. Trusted by private, community, and faith-based schools and built on the highly-rated SmartSimple Cloud, our secure, fully branded solution is accessible from anywhere and perfectly complements an existing GMS.

## IMPROVE ACCESS TO COMMUNITY-BASED ASSISTANCE PROGRAMS WITH A STREAMLINED SUBMISSION PROCESS

- Give every eligible household in your community their own personalized, self-serve portal to securely register, apply, and access their information through any browser.
- Make it easy for applying households to create profiles and add dependents, along with all the financial information you require for each of the assistance opportunities you offer.
- Once registered in your system, families can easily apply for other assistance opportunities and programs that you may also offer.
- Deepen engagement with your recipients by featuring announcements, upcoming events, and community resources from within their portal.

## MAKE BETTER DATA-DRIVEN DECISIONS FOR ASSISTING THOSE IN MOST NEED OF FINANCIAL SUPPORT

- Save precious time by streamlining how your team manages submissions and reviews, so you have more time to focus on addressing the long-term, strategic needs of your community.
- Build detailed financial profiles of applying households and collect details specific to each of your assistance programs, including assets, expenses, IRS/CRA tax return amounts, and more.
- Take advantage of eligibility questionnaires that are tailored to each of your assistance programs, so you save applicants time and only receive submissions from qualified households.
- Simplify stakeholder and committee reviews from start to finish with convenient access to all the information needed to award the most qualified candidates.

## STREAMLINE REPORTING WHILE GAINING ANALYTICS FOR EVALUATING YOUR COMMUNITY'S OVERALL ECONOMIC STANDING

- Take advantage of robust, fully automated reporting capabilities to dramatically reduce headaches in reporting program effectiveness, year-end statements, and more.
- Aggregate and evaluate analytics on the overall financial condition of your community, so you can understand how best to support their current and future needs.
- Protect your constituent data with best-in-class security and encryption capabilities that meet even the most demanding information security needs.
- Integrate with other systems you use like Salesforce, Microsoft Dynamics, student information and grant management systems, and many more.
- Multilingual and multicurrency capabilities are available.

## There is no limit to what you can achieve with SmartSimple Cloud

SmartSimple Cloud's configuration-based platform enables you to endlessly tailor and extend your system to achieve your current and future needs as they evolve - all under one roof. Not only will your entire organization benefit from a personalized, holistic solution that is configured for your people, community, and process, you will avoid the costliness and uncertainty of maintaining custom-built software.
